

Oncopole's Involvement in Medical societies and member of International/National/Regional expertise or research Networks

Chair, Vice-Chair, member of the scientific or governing board, contributors

- CARADERM
 - o Rare cutaneous cancers
 - o <http://www.caraderm.org/caraderm.php>
- CARARE
 - o Rare kidney cancers
 - o <https://www.carare.fr/>
- POLA (Treatment of Anaplastic Oligodendrogliomas)
 - o A second pathological examination to confirm the diagnosis
 - o An in-depth molecular analysis to refine the prognosis
 - o A treatment reference guide to optimize treatment
 - o <https://www.reseau-pola.org/>
- GLIOREC Network dedicated to neurological cancers with unfavourable prognosis
 - o Implementation of Quality and Safety of Care Indicators
 - o Improving diagnosis and access to innovative treatments
 - o Promoting education and training
- RENOCLIP
 - o Clinical-Pathological Neuro-Oncology Network
- GETUG Urogenital Tumor Study Group
 - o Development of cancer research programs and clinical trials for the main cancers of the male urological and genital systems.
 - o <https://www.unicancer.fr/fr/les-groupes-d-experts/groupe-detude-des-tumeurs-urogenitales-getug/>
- GERICO/DIALOG Onco-geriatrics Group
 - o dedicated to clinical research in oncogeriatrics
 - o <https://www.unicancer.fr/fr/les-groupes-d-experts/unicancer-oncogeriatric-gerico-et-intergroupe-pour-la-personnalisation-de-la-prise-en-charge-en-oncogeriatric/>
- RENAPE
 - o Peritoneum rare cancers
 - o <http://www.renape-online.fr/>
- NETSARC+
 - o Soft tissue and visceral sarcomas
 - o Includes the two reference networks RESOS (bone sarcoma and rare bone tumours) and RREPS (soft tissue and visceral sarcomas)
 - o <https://netsarc.sarcomabcb.org/>

- Chronic pain centre Label (Structure Douleur Chronique)
 - o The management of chronic pain relies on chronic pain centres (CPCs) accredited by the Regional Health Agencies (ARS).
 - o <https://www.sfetd-douleur.org/structures-specialisees-pro/>
- TMRO
 - o labelled INCa network of centres of expertise for rare ovarian cancers and other rare gynecological cancers
 - o <http://www.ovaire-rare.org/>
- ENDOCAN-TUTHYREF
 - o Refractory thyroid cancers
 - o <https://www.tuthyref.com/>
- ENDOCAN-RENATEN
 - o Rare Sporadic and Hereditary Malignant Neuroendocrine Tumours
 - o <https://www.reseau-gte.org/renaten/>
- REF-COR
 - o Head & Neck rare cancers
 - o Drafting recommendations (guidelines), proposing appeals (via referring physicians)
 - o <http://refcor.org/>
- SFETD
 - o French Society for the Study and Treatment of Pain
 - o <https://www.sfetd-douleur.org/societe-savante/>
- GINECO
 - o Ovarian and breast cancer studies National investigation group
 - o <https://www.arcagy.org/fr>
- SFOG board member
 - o French society of gynaecological oncology,
 - o <https://sfog.fr/>
- LYSA
 - o Clinical and translational research federal group on lymphoma
 - o <https://www.lysa-lymphoma.org/>
- RADIOTRANSNET
 - o French preclinical research in radiotherapy
 - o <http://radiotransnet.fr/>
- GENEPPY
 - o Regional network for at-genetic-risks people
 - o <http://www.oncomip.org/fr/espace-professionnel/espace-oncogenetique/organisation-reseau-geneppy/>

- EADO (European Association of Dermato-Oncology)
 - o Task Forces “Dermatology for cancer patients”
 - o <https://eado.org/eado-task-forces/>
- ONCODIETS
 - o Network of oncology dietitians
- IASP International Association for the Study of Pain
 - o <https://www.iasp-pain.org/>
- MASCC Multinational Association of Supportive Care in Cancer
 - o <https://mascc.org/>
- AFSOS Association francophone des soins oncologiques de support
 - o <https://www.afsos.org/>
- UCBG French Breast Cancer Intergroup Unicancer
 - o <https://www.unicancer.fr/fr/les-groupes-d-experts/french-breast-cancer-intergroup-unicancer-ucbg/>
- CARESP Occitanie Cellule d’Animation Régionale En Soins Palliatifs
 - o <https://soins-palliatifs-occitanie.fr/>
- SFAP Société Française d’Accompagnement et de soins Palliatifs
 - o <https://www.sfap.org/>
- GROSP (Occitanie research group on Palliative Care)
- ERE Occitanie : Occitanie Ethical Reflection Space
 - o <https://www.ere-occitanie.org/>
- SFCCF French Society of Head and Neck Oncology
 - o <https://www.sfccf.org/>
- SF2D French Society for Swallowing and Dysphagia
 - o <https://www.sf2d.org/>
- French Society of Phoniatics and Laryngology
 - o <https://www.phoniatry-laryngologie.fr/>
- Oncodistinct
 - o <https://www.oncodistinct.net/>
- ImCORE Network
 - o Centre of Excellence in Cancer Immunotherapy

- Daiichi Sankyo Research group member
 - o Phase I clinical trials
- GETTEC Head and Neck Tumor Study Group
 - o [https://gettec.fr/#:~:text=Le%20GETTEC%20\(Groupe%20d'Etude,voies%20aerodigestives%20sup%C3%A9rieures%20E2%80%93%20VADS\).](https://gettec.fr/#:~:text=Le%20GETTEC%20(Groupe%20d'Etude,voies%20aerodigestives%20sup%C3%A9rieures%20E2%80%93%20VADS).)

Accreditations Surgical Oncology

- ESGO (European Society of Gynaecological Oncology)
 - o Gynaecological Oncology training center
 - o ESGO certification as a center of excellence for ovarian cancer surgery currently underway
 - o ESGO certification as an expert center for endometrial cancer surgery in progress
 - o <https://www.esgo.org/>
- CFAR Specialty College in Anesthesia-Resuscitation
 - o Team Accreditation
 - o <https://cfar.org/accreditation/accreditation-en-equipe/>

Regional biopathology expert center

- LYMPHOPATH and GFELC French Study Group on Cutaneous Lymphomas
 - o Lymphomas
- MESOPATH
 - o pleural and pericardial mesotheliomas
- ENDOCANpath
 - o cross-disciplinary network covering three anatomical pathology areas:
TENpath (gastroenteropancreatic, thoracic and all other anatomical site neuroendocrine neoplasms);
COMETEpah (adult adrenal cortical carcinomas and adult metastatic pheochromocytomas/parangliomas);
TUTHYREFpath (anaplastic thyroid carcinomas, thyroid cancers and locally advanced or metastatic medullary carcinomas).
 - o <https://www.reseau-gte.org/reseaux-inca/endocanpath/>
- RENA-PATH
 - o Rare cancers of the peritoneum
- RMT
 - o Research into Trophoblastic Diseases

INSTITUT UNIVERSITAIRE
DU CANCER DE TOULOUSE
Oncopole

- RYTHMIC
 - Thymic Tumour and Cancer Network
- Senopath
 - breast disorders
